

DIANE O'DWYER

STATE COMMITTEE

Dear Fellow Democrats,

I am running for re-election to State Committee to continue to represent **all** Democrats in Chester County in a fully inclusive manner. I will stand up for our democratic values and fight hard to elect Democrats in Chester County and statewide. This is a troubled time for our democracy, and we must wage a war against hate and divisiveness and move forward to a more progressive, fair, and just future for Chester County and our Commonwealth. There is strength in our diversity, and we need all voices within our Party to unite around our common goals. I passionately believe that what unites us as Democrats is stronger than what divides us. I commit to raise the voices of those who may feel marginalized and always strive toward Party unity.

We are the Party who cares about working families. **We** value the contribution of labor and grassroots organizations. **We** care about racial justice, equal opportunity for education and a living wage. **We** fight for a woman's right to abortion, LGBTQ+ equality, voting rights and fair districts. **We** are committed to protect our planet and find clean energy solutions. **We** demand reform for our criminal justice system, our immigration policies and our gun laws. **We** recognize the urgent need for a robust plan to beat COVID 19, to keep our country safe and to grow our economy.

I humbly ask for your support to continue to represent you on PA Democratic State Committee.
