

Rich Eagles for State Committee

Dear Fellow Democrats,

My name is Rich Eagles, and I humbly ask for your vote to serve you and all democrats in Chester County on the Pennsylvania State Democratic Committee. I have lived in Chester County since 2013 and currently reside in West Chester with my partner where we are happily raising our five children. I work as a management consultant delivering strategic insight to clients across the globe. I received my bachelor's degree from Lafayette College in Easton, PA and my Master of Business Administration from Norwich University in Northfield, VT.

I believe it is imperative to be an active part of improving the community where you live, and so spend a considerable amount of time working and advocating for a strong, engaging democracy where every voice is able to be heard. To that end, beyond my volunteer work around the county, I have also been involved in a number of groups and activities that are action-oriented and represent strong progressive values. These include:

- Current Majority Inspector of Elections for Ward 3, West Chester
- Serving on the West Chester Police Diversity Task Force
- Former West Chester Democrats Committeeperson for Ward 2W in the Borough
- West Chester Alliance for Social Justice Leadership Team and Administrator
- Chester County Marching Forward Volunteer including prior co-chair of the Schools Committee
- Acting as Campaign Co-chair for Lillian DeBaptiste for Mayor of West Chester

I wish to serve on the state committee to represent all Chester County voices and advocate for progressive causes that lead to a more fulfilled life for all of our residents. This includes advocating for the environment, for inclusive social justice for marginalized communities, and most important to me, a vibrant future for our children to thrive in our active democracy.
