

SOPHIA GARCIA-JACKSON

FOR STATE COMMITTEE

Dear Friend:

My name is Sophia Garcia-Jackson. I am running for Pennsylvania State Democratic Committee to continue to stand up for our democracy and to ensure that we elect Democrats who are representative of our values. We need to develop more young leaders to ensure the future of our party. I have been active with the Chester County Young Democrats, who are an energetic group of future leaders. We need more young Democrats, women, minorities, progressives, and future leaders, like me, to bring in fresh ideas and new perspectives.

I became actively involved in politics when I decided to run for Chester County Coroner last year. I'm proud to continue serving the residents of Chester County in this capacity. While on the campaign trail, I met so many wonderful, dedicated Democrats. This experience opened my eyes to a whole new world. I want to continue to be a part of expanding our progressive principles both within Chester County and across Pennsylvania.

I was originally born and raised in California. I am of Mexican heritage and a lifelong Democrat. I moved to Pennsylvania in 2010 to attend graduate school and be closer to my soon-to-be husband after we met studying abroad in Ghana, West Africa.

I live in West Whiteland with my husband, our dog and two cats. I look forward to speaking with you and ask for your support to be your representative on PA State Democratic Committee. Please feel free to contact me with any questions in the meantime.

Thank you,

Sophia Garcia-Jackson
