

MICHELE BURGER  
CANDIDATE FOR PA STATE COMMITTEE

Dear Fellow Democrats,

I am running for the Pennsylvania State Democratic Committee and asking for your support and your vote in this 2022 Primary election. For more than 10 years, I have been actively engaged in recruiting and supporting Democratic candidates for local offices in Tredyffrin and Easttown townships as well as Chester County.

In 2015, I ran for and successfully won a position on the Tredyffrin-Easttown School Board garnering the highest number of votes for a school board candidate in the district. In 2017, I was appointed to Vice President and served in that position for 2 years. In 2018, I was re-elected and became the Board President. I served as president for 2 years, much of that time was during the pandemic.

Our democratic elected officials need State Committee members that understand the daily issues that affect Pennsylvania taxpayers and residents. My experience as a School Board member has given me the skills and knowledge necessary to be an effective State Committee member.

My School Board experience includes:

- Chair, Facilities Committee
- Chair, Public Information Committee
- Member of Finance Committee
- Member of Legislative Committee
- Board Liaison for Tredyffrin Township Park and Recreation
- Board Liaison for FLITE4Kids
- Vice President, 2 years
- President, 2 years
- Attended multiple PSBA Advocacy Days in Harrisburg

My Background includes:

- Fundraising committee for Tredyffrin Township Democrats
- Executive member of the Tredyffrin Township Democrats
- Successfully recruiting and electing 3 School Board candidates
- B.S.B.A. from Shippensburg University

Endorsements:

Melissa Shusterman - State Representative

Hans vanMol - Chair, Tredyffrin Township Democrats

Elva Bankins Baxter - former member of PA State Democratic Committee
